

## Required Hard- and Software

The studies require the use of a private laptop in class and exams, which must fulfil the following requirements.

### Laptop

CPU:	Quad Core Processor
RAM:	min. 8 GB, recommended 16 GB
Graphic:	At least 2G graphics memory
Hard disk:	At least 500 GB hard disk
Display:	Display resolution of 1280 x 800 pixels or higher
Operating system:	from Windows 10 or MacOS El Capitan oder higher
External devices:	Headset

### Software

Adobe Suite:	Provided by Macromedia in artistic study programs. (The link to download can be found in our ServiceHUB: <a href="https://servicehub.mmlogin.org">servicehub.mmlogin.org</a> )
Microsoft Office	Provided by Macromedia (The link to download can be found in our ServiceHUB: <a href="https://servicehub.mmlogin.org">servicehub.mmlogin.org</a> )

The notebook should also be protected by up-to-date anti-virus software.

Please make sure that your notebook is provided with the latest updates.

If one or more of these conditions are not fulfilled, the courses cannot be attended to the required extent for this reason.
