

Supplementary agreements of the Munich Campus to the COVID-19 hygiene concept at Macromedia

Valid from April 7th, 2022 until further notice

- Deviating from point 1:
Obligation to report by employees and participants
 - Participating persons who have tested positive immediately contact campus.muenchen@macromedia.de
 - Freelance lecturers immediately contact plan.m@macromedia.de

- Deviating from point 3:
Access rules

The verification of the corresponding status may be controlled at random by the Campus.

Severability clause

Should individual provisions of these guidelines be or become invalid or unenforceable due to new information from the Ministry or the government, the validity of these hygiene guidelines remains unaffected in all other respects. The ineffective or unenforceable guideline shall be replaced by an effective and enforceable provision that corresponds as closely as possible to the effects of the objective.
